15. White Ribbon Campaign

Whereas, White Ribbon is the world's largest movement of men and boys working to end violence against women and girls, promote gender equity, healthy relationships and a new vision of masculinity and,

Whereas, through education, awareness-raising, outreach, technical assistance, capacity building, partnerships and creative campaigns, White Ribbon is helping create tools, strategies and models that challenge negative, outdated concepts of manhood and inspire men to understand and embrace the incredible potential they have to be a part of positive change and,

Whereas, one of the most important things you can do to help promote gender equity, healthy relationships, positive ideals of masculinity, and help end gender-based violence is to speak out against it,

Therefore be it resolved, that the Council of the City of Peterborough supports the White Ribbon Campaign and that City Clerk provide notice of the passing of this resolution to the White Ribbon Organization.
