Peterborough

To: **Members of the Committee of the Whole**

From: **W.H. Jackson, Director of Utility Services**

Meeting Date: **March 7, 2016**

Subject: **Report USEC16-007
Asset Management Maturity Assessment and Roadmap**

Purpose

A report to inform Council that Associated Engineering (AE) will make a presentation at the March 7, 2016 meeting to provide a summary of findings of the state of asset management in the City of Peterborough.

Recommendation

That Council approve the recommendation outlined in Report USEC16-007 dated March 7, 2016, of the Director of Utility Services, as follows:

That the presentation from Mr. Owen James of Associated Engineering regarding the status of asset management in the City of Peterborough be received for information.

Budget and Financial Implications

There are no budget or financial implications as a result of this report.

Background

In December 2014 the City of Peterborough published its first Asset Management Plan. Since then work has continued to update this plan and to incorporate additional assets into the plan. The consulting firm of Associated Engineering has been hired to review the City's asset management status and provide a roadmap to move this important work forward.
