Background

Council awarded RFP P-17-17 Consultant Services to undertake a Feasibility Study for a Major Sport and Event Centre in Peterborough, Ontario to Sierra Planning and Management through Report CSAD17-003 dated December 4, 2017. During this meeting, Council requested that the Consultant provide an overview of the project at the outset.

The project has been divided into two phases, with the second phase subject to Council direction to proceed. Phase One Feasibility Study will include stakeholder and community consultation and will determine market and community needs to justify a Major Sport and Event Centre in the City and broader region, beyond what is provided currently in the existing Peterborough Memorial Centre. Phase Two Business Case will provide specific recommendations on the requirements for a new Major Sport and Event Centre based on the information gathered in Phase One. Both phases are to be completed within six months of the project start date.

Jon Hack from Sierra Planning and Management will make a presentation to Council providing an overview of this project.
