Budget and Financial Implications

There is no budget or financial implication resulting from the approval of the recommendations of Report APRAC18-005.

Background

B!KE is an incorporated not-for-profit member-based cycling education and support organization, operating in Peterborough since 2006. They have provided a brief proposal to City Staff on the concept of establishing a bicycle park within the city. No specific site has yet been identified. B!KE believes the concept aligns well with Strategic Direction Three of the City's Vision 2025 document, a ten year strategic plan for Recreation, Parks, Arenas, and Culture.

City staff have invited B!KE to present their concept to the Arenas Parks and Recreation Advisory Committee, at its meeting of March 20, 2018.
