Background

The City of Peterborough is creating a Request for Proposal (RFP) for a new play structure at James Stevenson Park.

A community engagement survey was available from Monday, March 19 to Thursday, March 29 to determine what the community would like to see in the park.

Staff have invited Phil Jacobs, Supervisor Parks and Forestry to attend the April 4, 2018 meeting of the AAC to present the proposed RFP, and to seek input from the AAC.

The members of the Arenas Parks and Recreation Advisory Committee have been invited to attend the AAC meeting on April 4, 2018 as a mechanism to share the information with both Advisory Committees.
