A report to inform the Library Board of an email correspondence received from Peterborough Eats.

Recommendation

That the Library Board approve the recommendation outlined in Report PPL17-039 dated May 30, 2017, of the Library CEO, as follows:

That the report be received for information.

Budget and Financial Implications

There is no budget or financial implication resulting from the approval of the recommendation of this report.

Background

The new owner of Peterborough Eats contacted the Library on May 14, 2017 to determine when the renovations would be complete and when/if they could resume their partnership with the Library.

I advised there are no plans made for the return of Peterborough Eats to the Library. The renovated facility will be equipped with the space to host a small Cafe, but no tenant has been determined at this time. The terms of the lease for the Cafe tenant are also under discussion.
