From: Susan Neale, Museum Director

Meeting Date: September 15, 2016

Subject: Report MAAC16-013
Museum Exterior Cladding and Window Project - Update

Purpose

A report to advise Committee that Lett Architects Inc. will make a presentation regarding the Museum Exterior Cladding and Window Project.

Recommendation

That the Museum & Archives Advisory Committee approve the recommendation outlined in Report MAAC16-013, dated September 15, 2016, of the Museum Director, as follows:

That the presentation by Lett Architects Inc. on the Museum Exterior Cladding and Window Project be received for information.

Budget and Financial Implications

There are no budget or financial implications associated with the recommendation.

Background

The Peterborough Museum & Archives (Museum) Exterior Cladding and Window Project was approved through the Draft 2016 Budget process. An application to the Canada Cultural Spaces Fund was approved by the Museum & Archives Advisory Committee (Report MAAC15-010) and City Council (Report CSACH15-004). The Primary Consultant for the Project is Lett Architects Inc., and the Project lead is the Property and Energy Manager of the City of Peterborough. Peterborough Museum & Archives Exterior Cladding Tender T-11-16 was awarded to Mortlock Construction Inc.

On August 22, 2016, a contribution in the amount of \$369,000 was approved by the Minister of Canadian Heritage under the Canada Cultural Spaces Fund. Project Team meetings commenced in September.

The Peterborough Museum & Archives is an important and prominent public building. The Exterior Cladding and Window Project will improve the Museum's physical conditions, its sustainability as well as its outward facade.

Summary

The Exterior Cladding and Window Project will enhance the Peterborough Museum & Archives service delivery, collection care and access and safety.
