

ARTS of CHINA

Glimpses of an Ancient Civilization

Arts of China: Glimpses of an Ancient Civilization. Chinese history, culture and classic traditions come to life in this fabulous exhibition from the Royal Ontario Museum.

Artefacts and replicas allow students to explore bronze, jade and porcelain – how they were made and their impact on China and the Western world. Hands-on activities, stories, music and dance focus on Chinese culture, intricate Chinese writing and ancient, innovative technological creations.
