From: Erik Hanson, Heritage Resources Coordinator

Meeting Date: March 3, 2016

Subject: Report PACAC16-012
Conference Opportunities in 2016

Purpose

A report to recommend that the PACAC receive a list of 2016 conference opportunities.

Recommendation

That the Peterborough Architectural Conservation Advisory Committee approve the recommendation outlined in Report PACAC16-012, dated March 3, 2016 of the Heritage Resources Coordinator, as follows:

That Report PACAC16-012 regarding 2016 conference opportunities be received for information.

Budget and Financial Implications

There are no budgetary or financial implications associated with the recommendation.

Background

At its meeting of December 3, 2015, the PACAC adopted its updated Strategic Plan to guide the implementation of committee initiatives from 2016 onwards, and identified and approved a list of action items for completion in 2016. The fourth objective of the Strategic Plan states that the PACAC will “Participate in activities that develop the knowledge and ability of the members”, including conferences and symposia. In its 2016 budget, the PACAC allocated \$3,000 for training opportunities. A list of relevant professional development opportunities is appended to this report. Staff would encourage members to review the list and identify opportunities that are of interest.
