

City of
Peterborough

To: Members of the Peterborough Architectural Conservation Advisory Committee (PACAC)

From: Erik Hanson, Heritage Resources Coordinator

Meeting Date: January 5, 2017

Subject: Report PACAC17-001
Heritage Preservation Office Report

Purpose

A report to advise the PACAC on the monthly activities of the Heritage Preservation Office (HPO) for November and December, 2016.

Recommendation

That the Peterborough Architectural Conservation Advisory Committee approve the recommendation outlined in Report PACAC17-001, dated January 5, 2017 of the Heritage Resources Coordinator, as follows:

That the report with respect to the activities of the Heritage Preservation Office for November and December, 2016 be received for information.

Budget and Financial Implications

There are no budgetary or financial implications associated with the recommendation.

Background

Heritage Conservation District

The alteration permit toolkit was launched in November 2016. Several property owners in the District are using it to pursue approvals for construction activities.

Bethune Street Flood Diversion Project

The draft plan for the Bethune Street streetscape redevelopment was approved by Council. The project is now in detailed design phase for the utility services component. Construction is due to start in 2018. There are several areas of the right-of-way that have been identified for further archaeological investigation.

Doors Open Peterborough

Planning is underway for Doors Open Peterborough 2017. The theme for will focus on the 150th anniversary of Confederation by bringing 1867 Peterborough to life through a series of sites and activities. Confirmed participating sites include the Art Gallery of Peterborough, the Peterborough Museum and Archives, and the Canadian Canoe Museum.

Heritage Property Tax Relief Program

The HPO completed its annual inspection cycle of the 81 properties currently enrolled in the Heritage Property Tax Relief Program. Updated maintenance plans, along with supplementary resource information, were mailed to all property owners in early December.

Places of Faith Workshop

Planning continues with the places of faith workshop. Consideration is being given pushing the workshop back from February 25 to March 11.

Peterborough Museum and Archives Update

The work on the re-cladding of the exterior of the Peterborough Museum and Archives is nearly complete. This work has included upgrading of insulation to the walls, re-cladding of the exterior walls, upgraded surveillance cameras, and new windows.

AMANDA Property Database Upgrade

The City's property database is undergoing a major upgrade which will include a highly refined interface with the City's GIS system. It will also be integrated with the city's tax system and will include the comprehensive section on heritage properties. A presentation on the features of the new database will be made to the committee when the system is rolled out in the spring.

Cultural Mapping

Andrew Nichols, a former staff member of the Arts, Culture and Heritage Division, is now working in the City's Geomatics and Mapping Division. He has updated many of the division's cultural maps, having cleaned up data and integrated a number of different maps into one system. A presentation on the mapping capabilities for heritage will be arranged for the committee in the spring if desired.

Lily Lake Secondary Plan

Revisions have been made to the western subdivision application of the Lily Lake Secondary Plan.
