SUBJECT: Report PACAC12-021
Fall Home Tour Update

PURPOSE

A report to provide the PACAC with an information update on the 2012 Fall Home Tour.

RECOMMENDATIONS

That the PACAC approve the recommendations outlined in Report PACAC12-021, dated May 8, 2012 of the Heritage Resources Coordinator, as follows:

- a) That the report on the Fall Home Tour be received for information; and
- b) That the proceeds from the tour, after costs, be donated to the Peterborough Historical Society to help fund the installation of a new roof.

BUDGET AND FINANCIAL IMPLICATIONS

There are no budgetary or financial implications associated with the recommendation.

BACKGROUND

The ad-hoc House Tour Committee has met three times to begin planning the Fall Home Tour to be held Saturday, September 15th, 2012. The tour will feature six of Peterborough's stone houses: Smith Town Hill House, Hutchison House, the Peck House, The Eastland House, Dixon House and Merino. The Stone Brewery will be included as a 'walk-by site' as well. At the April 24th, 2012 meeting of the ad-hoc committee the members voted to recommend that any surplus revenue after costs be donated to the fund raising efforts of the Peterborough Historical Society for a new roof for Hutchison House. The HPO supports this recommendation.

The committee has decided to produce a guidebook containing information about each of the houses on the tour. The guidebook will be sold in advance and will act as the ticket for the tour. Each location on the tour will be serviced by a special bus route. As an addition to the tour, a lecture on heritage houses in Peterborough is being planned for Friday, September 14 at Trinity United Church. The cost of the tickets for the tour will be \$25 each or two for \$40.
