

City of
Peterborough

TO: Members of the Peterborough Architectural Conservation
Advisory Committee (PACAC)

FROM: Erik Hanson, Heritage Resources Coordinator

MEETING DATE: June 12, 2012

SUBJECT: Report PACAC12-022
Official Plan Review Update

PURPOSE

A report to inform the Committee that Brad Appleby of the City's Planning Division will attend the June 12, 2012 PACAC meeting to provide a presentation on the Official Plan update now in progress.

RECOMMENDATION

That the PACAC approve the recommendation outlined in Report PACAC12-022 dated June 12, 2012, of the Heritage resources Coordinator as follows:

That the presentation by Brad Appleby of the City's Planning Division be received for information.

BUDGET AND FINANCIAL IMPLICATIONS

There are no budget or financial implications resulting from the approval of the recommendation of Report PACAC12-022.

BACKGROUND

A presentation will be made by Brad Appleby regarding the Official Plan Update currently underway. The Official Plan (OP) is the City's official guide to land use planning and development. It is required by provincial statute to be updated on a regular basis. Implementing the OP is the City's Zoning By-law, which maps and regulates appropriate land use across the municipality.

Currently the OP makes only a passing reference to the protection of heritage resources and this update is a good opportunity for the PACAC to provide comment and recommendations regarding the inclusion of heritage sensitive language and policy for the City.
