SUBJECT: Report PACAC13-021
Response to Parkway Corridor Class Environmental Assessment

PURPOSE

A report to recommend that the PACAC provide a response for the Parkway Corridor Class Environmental Assessment (EA) process.

RECOMMENDATION

That the PACAC approve the recommendation outlined in Report PACAC13-021, dated June 19, 2013 of the Heritage Resources Coordinator, as follows:

That the PACAC undertake a workshop exercise to craft their formal input to the Parkway Corridor Class EA process.

BUDGET AND FINANCIAL IMPLICATIONS

There are no direct budget or financial implications resulting from this recommendation.

BACKGROUND

The Arts, Culture and Heritage Advisory Committee has undertaken a facilitated process reviewing the presentation material from the joint meeting held May 28, 2013 against applicable initiatives outlined in the Municipal Cultural Plan (MCP). The outcome of this exercise is being used to craft a response for submission to the EA consultants. Staff is recommending that the PACAC undertake a similar exercise. The MCP initiatives reviewed focus on built heritage and cultural landscapes and are germane to the PACAC's mandate. The process will be facilitated by City staff.
