BACKGROUND

At its meeting of August 27, 2012, Council sitting as the Planning Committee approved the site at Louis Street for the development of a downtown Urban Park. The development of a public square is one of the key strategies approved by Council in the Central Area Master Plan.

The plan involves the development of an Urban Park on the City owned Louis Street Municipal Parking Lot, consolidated with Louis Street, from Charlotte Street to the intersection of Louis Street and King Street.

Brian Buchardt, Planner, Urban Design will provide the PACAC with an update on the project.
