TO: Members of the Peterborough Architectural Conservation Advisory Committee

FROM: Erik Hanson, Heritage Resources Coordinator

MEETING DATE: September 10, 2013

SUBJECT: Report PACAC13-026
PACAC Website Update

PURPOSE

A report to provide PACAC with an update on the design of the new PACAC website.

RECOMMENDATION

That the PACAC approve the recommendation outlined in Report PACAC13-026, dated September 10, 2013 of the Heritage Resources Coordinator as follows:

That the PACAC provide comment regarding the design and content of the new PACAC website.

BUDGET AND FINANCIAL IMPLICATIONS

There are no direct budget or financial implications resulting from this report.

BACKGROUND

The PACAC did not re-register its domain name at the end of 2008 and during an upgrade of the City's computer systems, it was discovered that the domain name had been lost. In September 2012, PACAC formed a sub-committee to refresh the content of the website. The sub-committee has been working with staff at Peterborough Technology Services to create an updated layout for the site. A mock up of the new site is ready for consideration by the committee and members are asked to review and provide comment on the content and layout.
