

City of
Peterborough

TO: Members of the Peterborough Architectural Conservation
Advisory Committee (PACAC)

FROM: Erik Hanson, Heritage Resources Coordinator

MEETING DATE: October 8, 2013

SUBJECT: Report PACAC13-032
Parkway Corridor Update

PURPOSE

A report to request that the PACAC provide formal comment to the Parkway Corridor Environmental Assessment Process.

RECOMMENDATION

That the PACAC approve the recommendation outlined in Report PACAC13-032, dated October 8, 2013 of the Heritage Resources Coordinator, as follows:

That the PACAC finalize a statement for submission to the Planning Division regarding the recommended alternative proposed for the Parkway Corridor.

BUDGET AND FINANCIAL IMPLICATIONS

There are no budgetary or financial implications associated with the recommendation.

BACKGROUND

On May 28, 2013 the members of the PACAC attended a joint meeting with the Arts, Culture and Heritage Advisory Committee to receive a presentation on the Parkway Corridor EA process from AECOM, Inc, the consultants undertaking the study. At the September 10, 2013 meeting of the PACAC, the committee received report PACAC13-027 that included a review of the Parkway Corridor Design Workshop of August 20, 2013, attended by the Chair and one committee member. Their comments are attached to this report as Appendix A.

On September 26, 2013 the City held its fourth Public Information Centre (PIC) to present the final draft recommendation for the preferred alternative route. Several members of the committee attended this PIC as well. The deadline for comments prior to the presentation of the preferred option to Council is October 26, 2013.

If the Committee wishes to make a formal submission to the Utility Services Department regarding the Parkway EA, it must do so before that date. Staff is recommending that the contents of the submission be agreed upon and approved at the October 8, 2013 meeting in order for the Chair to finalize the Committee's comments in a timely manner.

Submitted by,

Erik Hanson
Heritage Resources Coordinator
