A report to introduce a presentation by Brad Appleby, the City's Planner, Subdivision Control and Special Projects on the Lily Lake Secondary Plan.

RECOMMENDATION

That the Peterborough Architectural Conservation Advisory Committee approve the recommendation outlined in Report PACAC14-010, dated March 6, 2014 of the Heritage Resources Coordinator, as follows:

That the presentation by Brad Appleby on the final draft of the Lily Lake Secondary Plan and By-law be received.

BUDGET AND FINANCIAL IMPLICATIONS

There are no budgetary or financial implications associated with the recommendation.

BACKGROUND

On March 13, 2012 the PACAC received a presentation by Brad Appleby of the Planning Division regarding the Lily Lake Functional Planning Study to provide background for the PACAC to discuss the impact of adjacent development on the cultural landscape of Jackson Creek. Subsequently, the PACAC provided input on several aspects of the plan including the need to protect the views of the Jackson Creek Valley from the valley floor. The draft of the by-law by which Council will amend the official plan to prepare for development of the area has now been circulated for comment. Mr. Appleby will make a presentation to the committee outlining the details of the by-law.
