Background

In 2014, the PACAC undertook a facilitated workshop in support of the first phase of the Committee's Strategic Plan review process.

At the April 3, 2014, the committee reviewed the 2007 plan's strategic directions and initiatives to determine how well they have been achieved and judge their continued relevance in 2014 and beyond. Staff then reviewed this material and prepared updated strategic directions for consideration at a subsequent meeting of the committee. The suggested goals for the PACAC identified during the exercise have been summarized and are included as Appendix A of this report.
