TO: Members of the Waste Management Committee

FROM: Melanie Kawalec, Manager of Waste Management

MEETING DATE: November 15, 2010

SUBJECT: Report WMC10-008
Entech REM-Wesleyville Project

PURPOSE

A report to inform Committee that representatives from Renewable Energy Management Inc. will make a presentation at the November 15, 2010 Waste Management Committee meeting on the Entech REM-Wesleyville Project.

RECOMMENDATION

That the Waste Management Committee endorse the recommendation as outlined in Report WMC10-008 dated November 15, 2010, of the Manager of Waste Management as follows:

That Report WMC10-008 informing Committee that representatives from Renewable Energy Management Inc. will make a presentation on the Entech REM-Wesleyville Project be received for information.

BUDGET AND FINANCIAL IMPLICATIONS

There are no budget or financial implications as a result of this report.

BACKGROUND

This report follows on the required action noted in Report WMC10-006, presented to the Waste Management Committee on September 20, 2010, that Staff be directed to invite representatives from Entech REM to attend a Waste Management Committee meeting to present their proposal for a gasification plant at Wesleyville Road in Port Hope.

The REM representatives will provide an overview of REM, their business model, the Advanced Conversion Technology and associated benefits.

Further information on this proposal is available on their web site at www.rem-energysolutions.com.
