

City of
Peterborough

To: Members of the Waste Management Steering Committee

From: W. H. Jackson, Director of Utility Services

Meeting Date: March 16, 2015

**Subject: Report WMC15-004
Update on Waste Operations Coordinator Position**

Purpose

A report to introduce the new Waste Operations Coordinator.

Recommendation

That the Waste Management Committee approve the recommendation as outlined in Report WMC15-004 dated March 16, 2015, of the Director of Utility Services as follows:

That Don Briand be congratulated on his appointment as the Waste Operations Coordinator.

Budget and Financial Implications

There are no budget or financial implications associated with this report.

Background

Please join me in congratulating Don Briand on his appointment (start date of February 16, 2015) as the Waste Operations Coordinator. Don has been with the City for 18 years most recently as the Waste Water Collection Foreman. Don brings with him a wealth of underground infrastructure experience gained at the City as well as

construction knowledge from previous jobs. Don will spend the majority of his time at the Bensfort Landfill or Harper Road Compost sites. If you are at either, stop in and say hello.

Don will replace Craig Simmons who has retired. Craig spent many years managing the Landfill forming it into one of the best run landfills in the province. For the entire City, I thank Craig for his dedication to a job well done.
