Background

Since 2013, the City has been a partner on the formalized County-wide Municipal Access to Recreation Group (MATRG), consisting of representatives from Peterborough Public Health, all eight Townships, the City, and the Council for Persons with Disabilities. MATRG works collaboratively to create opportunities that improve access to recreation for the residents of the City and County of Peterborough.

Peterborough Public Health co-chairs MATRG on an ongoing basis, with each municipality acting as co-chair on an annual rotation. For 2018, the City has assumed the co-chair role. The 2017 MATRG Year in Review document is attached as Appendix "A", to provide an update on MATRG activities. The Year in Review document is produced annually by Peterborough Public Health.
