

City of
Peterborough

To: Members of the Accessibility Advisory Committee

From: Sadie Norrad, Accessibility and Communication Specialist

Meeting Date: January 9, 2019

Subject: Report AAC19-005
Accessibility Features for Transit Stops and Shelters

Purpose

A report to request feedback from the Accessibility Advisory Committee on accessibility features for transit stops and shelters.

Recommendations

That the Accessibility Advisory Committee (AAC) approve the recommendations outlined in Report AAC19-005 dated January 9, 2019, of the Accessibility and Communication Specialist as follows:

- a) That a presentation from the Accessibility and Compliance Coordinator be received for information; and,
- b) That Committee members provide feedback on accessibility features for transit stops and shelters.

Budget and Financial Implications

There are no budgetary or financial implications associated with the recommendation.

Background

Legislation

Section 78 of the Integrated Accessibility Standards Regulation 191/11 (IASR) requires the City to consult with the AAC to develop a list of accessibility features for transit stops and shelters. The City will consider the list of accessibility features when transit stops and shelters are constructed, renovated or replaced.
