Background

The Peterborough Memorial Centre (PMC) is undergoing a major floor renovation project from June 3 through October 18, 2019. The activities normally taking place in this location during that 20 week period will be accommodated in other arena facilities. Below is an outline of operational changes, with the facility schedules identified in Table One - 2019 Ice In/Out Schedule:

- Evinrude Centre and Kinsmen Arena summer and fall ice/floor schedules have been reversed to accommodate Sr. Lakers and Jr. A and C Lakers lacrosse games at the Evinrude Centre with the higher spectator capacity.
- Peterborough Minor Lacrosse Association (PMLA) will primarily operate from the Evinrude Centre, as its home location, with additional single pad at Kinsmen and PMC until the end of May. PMLA is currently finalizing their schedule to expand hours to accommodate groups normally on PMC floor pad.
- Canadian Hockey Enterprises Hockey School will be operating out of Kinsmen during July/August.
- Peterborough Petes OHL club will host 2019 training camp at the Evinrude Centre and practice regularly at that facility until PMC opens in October.
- User groups that use ice in August, September and October have been asked to streamline their requests based on facility availabilities. Some organizations may possibly delay the start of some of their programs until late October.
- PMC box office and tenant activity (Petes, Sr. Lakers, and Hall of Fame) will still to be accommodated at the PMC during the floor pad construction. Any facility access restrictions to be determined by the Project Manager and General Contractor.
