Review of Banner Design

Purpose

A report to recommend that the PACAC review and provide comment on revised designs for a new PACAC banner.

Recommendation

That the Peterborough Architectural Conservation Advisory Committee approves the recommendation outlined in Report PACAC19-017, dated March 7, 2019 of the Heritage Resources Coordinator, as follows:

That the PACAC receive and provide comment on the revised designs for a new PACAC banner.

Budget and Financial Implications

There are no budgetary or financial implications associated with the recommendation.

Background

At its meeting of September 6, 2018, the PACAC voted to replace its street banner with a new one. This replacement included a new, updated design for the banner. HPO staff worked with Sarah Crane of Frolic Designs to develop a number of options for the PACAC to consider. At their meeting of January 17, 2019, the PACAC considered four options for the new banner and asked for a number of revisions to be made for their further consideration. Two updated versions of the banner were developed for the committee's consideration. These designs are attached as Appendix A.
