Background

The City of Peterborough, like most other municipalities recognizes the importance of special events within the community. For events taking place on City land, a balance must be struck to ensure event organizers are insured appropriately for the risks associated with their events, while still protecting the City's interest.

On March 19, 2019, the City's Insurance and Risk Management Coordinator will attend the meeting of the Arenas Parks and Recreation Advisory Committee, to provide an overview of the measures required to mitigate the associated risks.
