Subject: Built Heritage News - OHA+M Blogpost on Bill 108 Changes to the Ontario Heritage Act

Dan Schneider is retired from his position as Policy Advisor for Heritage in the Ontario government. He was the lead person in drafting changes to the OHA in 2015. Since Bill 108 was put forward he has been absolutely critical in assessing the proposals. As chair of ACOs Policy Committee he has led efforts in crafting ACOs response.

I am Hoping every Ontario subscriber to BHN will be contacting your MPP and Premier Fords office to ask that the changes to the OHA be dropped from Bill 108 in order to provide time for a balanced review of the legislation.

Dans blog is a must read.
