14. Please check any of the following statements that you agree with regarding re-selling of goods and/or produce at Peterborough farmers' markets.

Re-selling is when a vendor is selling someone else's goods and/or produce.

Check the following statements you agree with...

- ☐ Re-selling should not be allowed under any circumstances
- ☐ Re-selling should be allowed for items that are not yet available locally (e.g. out of season produce)
- ☐ Re-selling should be allowed for items that aren't grown or produced locally (e.g. peaches)
- ☐ Re-selling should be allowed for items that the vendor is selling from a local farmer or producer (e.g. a neighbouring farmer, a local artisan)
- ☐ Re-selling should be allowed as long as the items are direct from a farmer or producer even if they are not local
- ☐ Re-selling should be allowed if the re-sold items are needed to draw people into the market and/or make the market viable

- Re-selling should be allowed if the re-sold items are needed to provide a better variety of products to consumers
- Re-selling should be allowed, with proper signage, and it should be left up to market consumers to decide whether they only want to buy local

15. Please provide any other comments regarding re-selling of goods and/or produce at Peterborough's farmers' markets.

- 19. Do you think there is a role for the City to regulate and/or govern Peterborough's farmers markets?**

- ☐ Yes
- ☐ No

20. For farmers' markets located on City property, what role do you think the City should play in the governance or management of the market?

- ☐ None – The City should leave it up to local farmers and community organizations to manage and operate farmers' markets
- ☐ Regulatory – The City's involvement should be establishing and enforcing a by-law that sets out requirements that must be followed by the farmers' markets
- ☐ Landlord – The City's involvement should be that of a landlord entering into formal agreements with the farmers' markets that sets out the responsibilities for operating a market on City property
- ☐ Advisory/Mediator – The City's involvement should be as an advisor on City specific items and/or a mediator when issues arise between tenants renting City property
- ☐ Owner/Indirect Operator – The City's involvement should be as the owner of the farmers' market, but hire a market manager and/or appoint a management committee to independently operate the market on the City's behalf
- ☐ Owner/Direct Operator – The City's involvement should be as the owner and direct operator of the farmers' market with the market becoming another operating division of the City (e.g. Arenas Division, Art Gallery, Museum etc.)
- ☐ Other (please explain)
