Subject: **Report CLSCLK19-009
Parks Canada Presentation**

Purpose

A report to inform Committee that Parks Canada will make a presentation at the April 8, 2019 meeting to provide an update on their activities at Lock 19.

Recommendation

That Council approve the recommendation outlined in Report CLSCLK19-009 dated April 8, 2019, of the City Clerk, as follows:

That the presentation from Parks Canada be received for information.

Budget and Financial Implications

There are no budget or financial implications as a result of this report.

Background

In February, staff received a request from Parks Canada to make a presentation to Committee to provide an update on activities being undertaken at Lock 19 (Scotts Mills, south of Lansdowne Street).

The City and Parks Canada are working together to develop a new trail which will travel from Lock 19 to Trent University called the "Peterborough Canal Trail".

Parks Canada is currently undertaking work on Lock 19 and some of the changes being made will enable it to become part of the new trail system.
