

City of
Peterborough

To: Members of the Accessibility Advisory Committee

From: Sadie Norrad, Accessibility and Communication Specialist

Meeting Date: October 2, 2019

Subject: Report AAC19-034
Access Fund Request 003-19

Purpose

A report to seek approval for Access Fund Request 003-19 submitted by the Parking Operations Coordinator for the purchase and installation an automated door operator for the door on the east side of the King Street Parkade.

Recommendations

That the Accessibility Advisory Committee (AAC) approve the recommendations outlined in Report AAC19-034 dated October 2, 2019, of the Accessibility and Communication Specialist as follows:

- a) That a presentation by the Parking Operations Coordinator on the purchase and installation of an automated door operator for the King Street Parkade be received for information; and
- b) That Access Fund Request 003-19 be approved.

Budget and Financial Implications

The amount of Access Fund Request 003-19 is \$5,816.96. The current balance of the Access Fund is \$13,397.92.

Background

The east door of the King Street Parkade is the main point of entry and exit to the parking garage. This door is adjacent to the 2 accessible parking spaces in the garage and is used numerous times a day by the public.

Currently this door is not equipped with an automated door operator.

The door has been serviced to ensure all mechanisms are working and that an automated door operator can be installed safely.
