14. Other Business

Free Parking in Downtown

That two-hour free parking be offered in the downtown in 2019 on the following Fridays; November 1st, 8th, 15th and 22nd.

15. Other Business

Local Health Care Services

Whereas the public health care consistently ranks as the top priority in public opinion polls, and;

Whereas Public Health provides vital health promotion and prevention services based on the unique demographic and economic, social, and cultural needs of our communities, and;

Whereas the evidence from hospital amalgamation in Ontario and across Canada is that they have cost billions of dollars and have not yielded the promised administrative savings but have taken money away from frontline care, and;

General Committee Report No. 22
Meeting of October 15, 2019
Page 7

Whereas there is no evidence to support the proposed closure of 25 out of 35 local Public Health Units, the closure of 12 of 22 local ambulance dispatch centers, and the closure of 49 out of 59 local ambulance services, and;

Whereas there is a deep consensus among virtually all stakeholders that increasing acuity in our long-term care homes requires additional staff and resources, not cancellation of the two special funds and real dollar cuts to per diem funding of our long-term care homes, and;

Whereas our local hospitals have been downsized for an entire generation and cannot meet population needs while sustaining real dollar cuts to hospital global budgets.

Therefore be it resolved:

The City of Peterborough calls upon the Ontario government to halt the closures of, mergers of, and cuts to our local health care services including Public Health Units, land ambulance services, hospitals and long-term care homes.
