Re: Vacancy on the Trent Conservation Coalition – Source Protection Committee

Dear Ms. Carter,

At its regular meeting of Council on September 10, 2019, the Council of the Township of Asphodel-Norwood passed the following motion with respect to the vacancy on the Trent Conservation Coalition Source Protection Committee:

274/19 Moved by: Councillor Warr

Seconded by: Councillor Walsh

“THAT the Council of the Township of Asphodel-Norwood is pleased to nominate Deputy Mayor Lori Burt to represent the municipal interests of the Otonabee Peterborough Source Protection Area on the Trent Conservation Coalition Source Protection Committee.”

Carried

Deputy Mayor Lori Burt has an interest in protecting sources of municipal drinking water and is looking forward to representing the interests of municipalities in the Otonabee-Peterborough Source Protection Area on the Trent Conservation Coalition Source Protection Committee. Ms. Burt has over 25 years of experience related to agriculture, forestry, and a thorough understanding of the importance of protecting water assets and resources. She has been an active participant in the Environmental Farm Plan as part of Soil and Crop Ontario, a partner in Ducks Unlimited projects to protect and enhance wetlands on the family farm, and active in the local stewardship and scouting community through tree planting projects on rural property. Ms. Burt has been an active member of her community for many years - from involvement on local school councils and sports organizations, to executive board positions on local agriculture, making her an excellent candidate for this position.

Appendix A

Council supports the nomination of the Deputy Mayor for the position of Municipal Representative on the committee.

Trusting you will find the foregoing satisfactory, but please don't hesitate to contact the undersigned, should you have any questions or concerns regarding the motion of Council.

Sincerely,

A handwritten signature in cursive script, appearing to read "C White".
