Budget and Financial Implications

There are no budget or financial implications as a result of this report.

Background

The tradition in the City is for the Mayor to recommend the appointment of Members of Council to various committees and local boards, as well as liaisons to various municipal service areas (portfolios) of the Corporation. The recommendations in this report reflect

the recommendations of the Mayor for 2019-2020 appointments. These appointments end on November 30, 2020.

Chairs of Standing Committees of Council are expected to oversee the meetings of the Standing Committee in accordance with the applicable legislation and the Procedure By-law.

Chairs of Portfolios act as a liaison with the Commissioner of the Portfolio, thereby developing more knowledge of the policy issues. The Chair, having enhanced knowledge of the Portfolio, can then act as the Portfolio Liaison during Committee, Council or Community Meetings.
