### Public Libraries Act – changes

Two amendments to the **Public Libraries Act** (PLA) that came into effect December 10, 2019 as part of the government's **Better for People, Smarter for Business Act**, **2019**.

The first amendment, to section 10(1) of the PLA, will permit Canadian permanent residents to serve as public library board members. Prior to this amendment, only Canadian citizens were permitted to serve on public library boards. This amendment provides boards with a larger and more diverse pool of potential board members.

The second amendment, to section 16(1) of the PLA, reduces the minimum number of annual public library board meetings from ten (10) per year to seven (7) per year. This amendment provides more flexibility for public library boards to determine the appropriate number of meetings needed for their local circumstances.

### Collections

Our term with Overdrive officially ended December 31, 2019. We are now fully transferred over to our new ebook platform **Cloud Library.** 

There will be a few new digital products launched in January, including a subscription to "RBdigital Streaming Video" which includes award-winning comedies, documentaries, drama, animation, shorts, classic TV, British TV and film, Spanish telenovelas and movies, and more.
