

Possible Future Trends for Peterborough's Urban Forest

INCREASING CANOPY	DECREASING CANOPY
<p style="text-align: center;">↑</p> <ul style="list-style-type: none"> • Require Replacement Trees • Increase City Tree Planting Budget • Incentivize Private Tree Planting 	<p style="text-align: center;">↓</p> <ul style="list-style-type: none"> • Private Healthy Tree Removals • Emerald Ash Borer • Invasive Pests and Diseases • Restricted Planting Spaces • Over-mature tree population • Natural Tree Mortality

*City ash tree losses to Emerald Ash Borer not included as City program targets 100% canopy replacement through treatment and replacement of trees

HOW CAN WE CLOSE THE GAP?
