

City of
Peterborough

To: Members of the Accessibility Advisory Committee

From: Sarah Mackillican, Communication Coordinator

Meeting Date: March 4, 2020

**Subject: Report AAC20-013
Proposed Trail Developments Presentation**

Purpose

A report to introduce a presentation from the City's Transportation Demand Management Planner Susan Sauvé on proposed trail developments in the City of Peterborough.

Recommendations

That the Accessibility Advisory Committee (AAC) approve the recommendations outlined in Report AAC20-013 dated March 4, 2020, of the Communication Coordinator as follows:

- a) That a presentation from the Transportation Demand Management Planner be received for information; and
- b) That the Committee provide feedback on the proposed developments.

Budget and Financial Implications

There are no budgetary or financial implications associated with the recommendation.

Background

The City's Transportation Demand Management Planner researches, designs, implements, monitors and reports on a variety of citywide transportation demand management initiatives. This presentation will provide an overview of recent proposed

developments of City trails, with opportunity for the AAC to provide feedback prior to public consultation, per AODA requirements.
