Background

On April 27, 2020, City Council approved Report PKED20-005 and approved an Economic Recovery Plan and a Mayor and Warden's Economic Recovery Task Force in response to the COVID-19 global pandemic.

The Task Force has met several times. Appendix A provides a report from the Task Force, including:

Attachment No. 1 - List of Task Force Members

Attachment No. 2 - Task Force June Report Card

Attachment No. 3 - Summary of Task Force Report Card Recommendations

The report is dated July 7, 2020 and because COVID-19 recovery is moving so quickly, some of the recommendations have already been started but others need to be considered. It is recommended that the report be received by City Council and direction be provided to staff to review the recommendations and report back to City Council on any of the recommended items that apply to the City of Peterborough.
