Background

Public Art Facilitator, Wendy Trusler, has completed (and updated since September) a Draft Public Art Policy and Procedure, attached here as appendicies A and B for review. There will be an opportunity for Arts, Culture and Heritage Advisory Committee members to comment and ask questions. ACHAC members are reminded that the protocol to capitalize words included in definitions when they are used throughout the document is to indicate to the reader that it is a word that is defined.

The review process will include working with City policy staff to finalize formatting and update the documents as new information presents.
