- e) That Stewart Hamilton have his term extended to serve on the Peterborough Architectural Conservation Advisory Committee, until November 30, 2021.

- f) That Amy Barron be appointed as the representative from Fleming College on the Museum and Archives Advisory Committee

Budget and Financial Implications

There are no direct budget or financial implications as a result of the recommendations.

Background

Given the situation with COVID-19, the Citizen Appointment Advisory Committee agreed it would not be practical to advertise and recruit new citizen committee members at this time. As a result, the Committee decided that terms for citizen appointees to advisory committees due to expire in 2020, should be extended to November 2021. The members listed above in recommendations a)-e), have agreed to continue their current terms.

Amy Barron is replacing Gayle McIntyre, as the Fleming College representative on Museum and Archives Advisory Committee. Ms. Barron is the Program Coordinator of the Museum Management and Curatorship Program at Fleming College.

Several advisory committee members also have moved on or resigned. Staff on these committees have advised that the loss of these members will not impact the ability of the committees to meet going forward. The Citizen Appointment Advisory Committee will wait to advertise for these openings in 2021.
