Budget and Financial Implications

There are no budget or financial implications as a result of this report.

Background

The tradition in the City is for the Mayor to recommend the appointment of Members of Council to various committees and local boards, as well as liaisons to various municipal service areas (portfolios) of the Corporation. The recommendations in this report reflect the recommendations of the Mayor for 2020-2021 appointments. These appointments end on November 30, 2021 or as recommended by the Mayor.

Chairs of Standing Committees of Council are expected to oversee the meetings of the Standing Committee in accordance with the applicable legislation and the Procedure By-law.

Chairs of Portfolios act as a liaison with the Commissioner of the Portfolio, thereby developing more knowledge of the policy issues. The Chair, having the enhanced knowledge of the Portfolio, can then act as the Portfolio Liaison during Committee, Council or Community Meetings.
