That a presentation by the President of the Art Gallery of Peterborough's Board of Directors be received for information.

Budget and Financial Implications

There are no budget or financial implications.

Background

The current Strategic Plan covers five years and concludes in 2021. Each year the Board and staff prepare an objective's matrix to guide the year's activities. Clear goals and measures were set in key areas, such as attendance, program development,

membership, sponsorship etc. The 2017 Final Report presents the outcomes of the first full year of the Strategic Plan. The AGP wants to share these outcomes with Council. The financial and administrative support the City of Peterborough has provided the Art Gallery of Peterborough as our key partner has built a stable foundation that enables the Gallery to accomplish its goals.
