Peterborough

To: Members of the Arenas Parks and Recreation Advisory Committee

From: Gillian Barnes, Project Manager, Facilities and Planning Initiatives

Meeting Date: April 13, 2021

Subject: Report APRAC21-010
Beavermead Entry Gatehouse Pavilion Concept Presentation

Purpose

A report to introduce a presentation by Lett Architects Inc., on the proposed concept design for the Beavermead Entry Gatehouse Pavilion Project to the Arena Parks and Recreation Advisory Committee.

Recommendation

That the Arenas Parks and Recreation Advisory Committee approve the recommendation outlined in Report APRAC21-010, dated April 13, 2021, of the Project Manager of Facilities and Planning Initiatives as follows:

That the presentation by Lett Architects Inc., be received for information.

Budget and Financial Implications

There are no budget or financial implications associated with the recommendation.

Background

The Beavermead Entry Gatehouse Pavilion is the third phase of the Beavermead Campground Park Implementation Capital Project. This project is part of a series of improvements and upgrades at the campground approved through Council Report CSD12-001 dated January 23, 2012 outlining the Cost Benefit Analysis and Strategy Plan to enable a viable campground operation. Improvements are being implemented in phases as a condition of the operating agreement currently in place with Otonabee Region Conservation Authority (ORCA).

Phase one of improvements to correct drainage issues and provide servicing (water and electrical) to the sites in the central camping area was completed in 2016. Phase two, the Demolition and Construction of a New Comfort Station was completed in 2020.

Phase three will implement design and construction of the entry gatehouse pavilion and improved campground entry gate systems. Construction is scheduled to start in mid October 2021 after the close of the parks camping season. Completion of construction will be in early 2022 in readiness for the parks annual campground opening date of mid May.

Summary

This report provides a presentation from Lett Architects Inc., on a concept design for the Beavermead Entry Gatehouse Pavilion Project for the Arena, Park and Recreation Advisory Committee to receive for information.
