Subject: Amendments to By-law 05-083, Temporary Road Closures for Events
Report CLSCLK21-030

Purpose

A report to recommend amendments to By-law 05-083 respecting temporary road closures for events.

Recommendation

That Council approve the recommendation in Report CLSCLK21-030 dated December 6, 2021, of the City Clerk as follows:

That By-law 05-083 respecting temporary road closures be amended in the form of amending by-law comprising Appendix A to Report CLSCLS21-030.

Budget and Financial Implications

There are no financial implications directly related to the recommendation in this report.

Background

By-law 05-083 delegates authority to the City Clerk to temporarily close City roads for “Events” which are defined to mean “any parade, procession, social, recreational, community, athletic, cultural or cinematographic event, or a combination of such events”. The By-law prohibits such Events on City roads except pursuant to a permit

issued by the City Clerk. The permit process ensures that the Event is safe for participants and attendees and minimizes traffic conflicts.

It is proposed to amend the By-law to:

- a) prohibit advertising or promoting an Event for which a permit is required except pursuant to a permit that has been issued or pursuant to any conditions that the City Clerk may have established prior to issuance of a permit; and to
- b) establish administrative monetary penalties as an additional enforcement alternative.
