

City of
Peterborough

To: Members of the Peterborough Environmental Advisory Committee

From: Michael Papadacos
Interim Commissioner of Infrastructure and Planning Services

Meeting Date: January 19, 2022

Subject: Zero-carbon Fire Station No. 2 Project Update
Report PEAC22-001

Purpose

A presentation to provide the PEAC with an update on the zero-carbon fire station project.

Recommendation

That the PEAC approve the recommendation outlined in Report PEAC22-001 dated January 19, 2022, of the Interim Commissioner of Infrastructure and Planning Services, as follows:

That the presentation from Gillian Barnes, Facilities and Planning Initiatives Project Manager, be received for information.

Budget and Financial Implications

There are no budgetary or financial implications associated with the recommendation.

Background

Staff will provide a presentation that will describe the latest details of the Fire Station No. 2 Project in development. The fire station will be the City of Peterborough's first net-

zero energy and net-zero carbon building, certified under the Canadian Green Building Council's Zero Carbon Building standard in performance and design categories.

A public meeting and presentation on Connect PTBO will be held on Tuesday, January 18, 2022 and can be accessed on [the Connect PTBO website](#).
