Re: Audit of the Consolidated Financial Statements of the City of Peterborough

Dear Members of the Finance Committee:

We have been engaged to express an audit opinion on the consolidated financial statements of the City of Peterborough ("the City") for the year ended December 31, 2021. We have substantially completed our audit and are pleased to report on the following items.

The purpose of this report is to summarize certain aspects of the audit that we believe to be of interest to the Finance Committee. This report should be read in conjunction with the draft consolidated financial statements and our report thereon.

Auditor Independence

Canadian Auditing Standards ("CAS") require that we communicate at least annually with the Finance Committee regarding all relationships between us and the City that, in our professional judgement, may reasonably be thought to bear on our independence.

We are not aware of any relationship between the City and us that, in our professional judgement, may reasonably be thought to bear on our independence.

Accordingly, we hereby confirm that our engagement team, our Firm and the other Baker Tilly Canada offices are independent with respect to the City within the meaning of the Code of Professional Conduct Rule 204 of the Chartered Professional Accountants of Ontario (registered name of The Institute of Chartered Accountants of Ontario).

Independent Auditor's Report

We anticipate that our Independent Auditor's Report will be issued without modification.

Our Independent Auditor's Report will be dated no earlier than the date on which we have obtained sufficient appropriate audit evidence on which to base our audit opinion on the consolidated financial statements, including evidence that all the statements and disclosures that comprise the consolidated financial statements have been prepared and Council has approved the consolidated financial statements.

ASSURANCE • TAX • ADVISORY

Baker Tilly KDN LLP is a member of Baker Tilly Canada Cooperative, which is a member of the global network of Baker Tilly International Limited. All members of Baker Tilly Canada Cooperative and Baker Tilly International Limited are separate and independent legal entities.

Evaluation of Internal Controls

Audits include a review and evaluation of the system of internal controls to assist in determining the level of reliance that may or should be placed on the system in assessing the nature and extent of audit procedures to be undertaken.

There are no internal control matters that we wish to bring to your attention.

Illegal Acts, Fraud, Intentional Misstatements and Errors

Our auditing procedures, including tests of your accounting records, were limited to those considered necessary in the circumstances and will not necessarily disclose all illegal acts should any exist. Under CAS, we consider the City's control environment, governance structure, circumstances encountered during the audit and the potential likelihood of fraud and illegal acts occurring.

These procedures are not designed to test for fraudulent or illegal acts, nor will they necessarily detect such acts or recognize them as such, even if the effect on the consolidated financial statements is material. However, should we become aware that an illegal or possibly illegal act or act of fraud may have occurred, other than one considered clearly inconsequential, we will communicate directly to the Finance Committee.

It is management's responsibility to detect and prevent illegal action. If such acts are discovered or the Finance Committee members become aware of circumstances under which the City may have been involved in fraudulent, illegal or regulatory non-compliance situations, such circumstances must be disclosed to us.

Testing during our audit did not reveal any illegal, improper or questionable payments or acts, nor any acts committed with the intent to deceive, involving either misappropriation of assets or misrepresentation of assets or misrepresentation of financial information.

Related Party Transactions

During our audit, we conduct various tests and procedures to identify transactions considered to involve related parties. Related parties exist when one party has the ability to exercise, directly or indirectly, control, joint control or significant influence over the other. Two or more parties are related when they are subject to common control, joint control or common significant influence. Related parties also include management, members of Council and their immediate family members and companies with which these individual have an economic interest.

All related party transactions that were identified during the audit have been represented by management to have been disclosed in the notes to financial statements, recorded in accordance with Canadian Public Sector Accounting Standards, and have been reviewed with you.

Management has advised that no other related party transactions have occurred that have not been disclosed to us. The Finance Committee is required to advise us if it is aware of or suspects any other related party transactions have occurred, which have not been disclosed in the financial statements.

Significant Accounting Principles and Policies

Management is responsible for the appropriate selection and application of accounting policies. Our role is to review the appropriateness and application as part of our audit. The significant accounting principles and policies are disclosed in the notes to the consolidated financial statements.

The Finance Committee has a responsibility to review the accounting policies adopted by the City, and where alternative policies are available, make determinations as to the most appropriate policies to be adopted in the circumstances. If members of the Finance Committee believe that the adoption or change in accounting policy may produce an inappropriate or misleading result in financial reporting or disclosure, this concern must be discussed with management and us.

There were no new accounting policies adopted or changes to the application of accounting policies of the City during the year.

Accounting Estimates

Management is responsible for the accounting estimates included in the consolidated financial statements. Estimates and the related judgements and assumptions are based on management's knowledge of the business and past experience about current and future events.

Our responsibility as auditors is to obtain sufficient appropriate evidence to provide reasonable assurance that management's accounting estimates are reasonable within the context of the consolidated financial statements as a whole. An audit includes performing appropriate procedures to verify the:

- Calculation of accounting estimates;
- Analyzing of key factors such as underlying management assumptions;
- Materiality of estimates individually and in the aggregate in relation to the financial statements as a whole;
- Estimate's sensitivity to variation and deviation from historical patterns;
- Estimate's consistency with the entity's business plans; and
- Other audit evidence.

Certain accounting estimates are particularly sensitive because they involve a significant degree of judgement and may have a range of possible outcomes. The most sensitive accounting estimates in order of significance are as follows:

- Useful lives of capital assets and amortization;
- Solid waste landfill closure and post-closure liability;
- Employee future benefits;
- Allowance for uncollectible taxes; and
- Accounts payable and other liabilities.

Significant Matters Discussed With Management

There were no significant matters arising from the audit discussed with management.

Written Representations Requested From Management

As part of our audit, we request that management prepare a letter to us to re-affirm various representations that they have provided to us and we have relied upon. A copy of this letter is attached for your convenience.

Significant Misstatements

In the course of our audit, we have not found any material misstatements or unadjusted items that, in aggregate, exceed materiality thresholds established for the audit, nor have we found significant misstatements that would likely cause future financial statements to be materially misstated.

Uncorrected Misstatements

In the course of our audit, we have aggregated uncorrected financial statement misstatements which are summarized in the accompanying schedule. Management has deemed the effects of these misstatements to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole and as such has not agreed to correct these misstatements in the current accounting period. Under CAS, we are required to request that the Finance Committee approve the correction of these misstatements or that the Finance Committee approve the decision of management.

Significant Unusual Transactions

We are not aware of any significant transactions entered into by the City that you should be informed about.

Disagreements with Management

We are required to communicate any disagreements with management, whether or not resolved, about matters that are individually or in aggregate significant to the City's financial statements or auditor's report. Disagreements may arise over:

- Selection or application of accounting principles;
- Assumptions and related judgements for accounting estimates;
- Financial statement disclosures;
- Scope of the audit; or
- Wording of the auditor's report.

In the course of our audit, we did not have any significant disagreements with management, nor were we under any significant time pressures or poor working conditions. We are not aware of any cause for concern as to management's attitude, competence or credibility with respect to matters affecting the financial statements.

Difficulties Encountered During the Audit

We encountered no significant difficulties during our audit that should be brought to the attention of the Finance Committee.

Management Letter

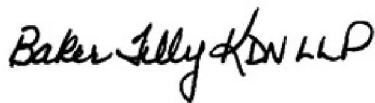

During our audit, we did not note any significant issues on internal controls to report to management.

Conclusion

We wish to express our appreciation for the co-operation we received during the audit from the City's management.

Should any member of the Finance Committee wish to discuss or review any matter addressed in this letter or any other matters related to financial reporting, please do not hesitate to contact us at any time.

Yours truly,
