Meeting Date: January 10, 2023

Subject: Peterborough County/City Paramedics Service 2023 Budget

Report CLSFS23-008

Purpose

A report to inform Council that the 2023 Budget submission for Peterborough County/City Paramedics Service will be received on Tuesday, January 10, 2023.

Recommendation

That Council approve the recommendation outlined in Report CLSFS23-008, dated January 10, 2023, of the Commissioner of Corporate and Legislative Services as follows:

That the presentation and budget details presented to the January 10, 2023 Finance Committee by the Peterborough County/City Paramedics Service for the 2023 Budget, be received for information.

Budget and Financial Implications

There are no additional budget and financial implications of the recommendation.

The Draft Budget recommends that the any adjustments in the provision for paramedic services be netted against the City's 2023 General Contingency provision. An updated request has been received which will decrease Contingency by \$49,806.

Background

The Finance Committee is scheduled to review the 2023 Draft Budget during the week of January 16, 2023. Tuesday, January 10, 2023 has been set aside to receive budget requests from outside Boards and Agencies.

Included on pages 202-203 of the 2023 Draft Budget Highlights Book is a high-level summary of information included in the Draft 2023 Operating Budget for the Peterborough County-City Paramedics Service (PCCP).

The cost share between the City and the County is based on population as per the 2021 census. The City's share is 56.64% (2022 - 58.62%).

The City's Draft budget includes an increase to the City's net share of the PCCP 2023 budget of 11.7%. After the Draft Budget document was published, the requested increase for the City's net share has been increased to 12.6%. The year over year increase is resulting from cost pressures such as staffing, insurance, vehicle maintenance, capital reserve transfers and fuel costs. The Draft Budget recommends the use of reserves in the amount of \$75,000 to help cushion the increase.

The following charts provide details of the 2023 PCCP budget request.

Chart 1: PCCP Request Included in the Draft Budget

Service	2022 Approved	2023 Requested	% Change	\$ Change

	5,431,715	6,067,657	11.71%	635,942

Chart 2: Updated PCCP Request Subsequent to the Draft Budget

Service	2023 Requested	2023 Presentation Request	% Difference	\$ Difference
Peterborough County/City Paramedics Service	6,142,857	6,192,663	0.8%	49,806
- Contribution from reserve	75,000	75,000	0.0%	0
	6,067,857	6,117,663	0.8%	49,806

It is anticipated that further changes may yet be made to the PCCP 2023 budget as the County's 2023 budget has not yet been approved. The Budget contains a recommendation that the final adjustment to the City's portion of the PCCP Budget be netted against the City's 2023 General Contingency provision.

County staff will be available to provide further information on January 10, 2023.
