**Attention: John Kennedy, Clerk**

Dear Mr. Kennedy:

**Re: Licensing Administration of Driving Services**

I am writing on behalf of the Police Services Board to request the City's consideration in taking back the administrative function previously delegated to the Board by the City related to the licensing of driving services in the City of Peterborough which includes the licensing of taxis, limousines and transportation network companies.

The Board feels that this is an important step in ensuring the focus of our limited police resources can be directed towards ensuring the safety and wellbeing of our community.

The Board will be happy to assist as required to achieve this goal.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lisa Wilson'.
