Subject: Report AAC18-026
Access Fund Request 001-18

Purpose

A report to seek approval for Access Fund Request 001-18 submitted by the Facility Manager at the Peterborough Memorial Centre for the installation of hand railings at the Peterborough Memorial Centre (PMC).

Recommendations

That the Accessibility Advisory Committee (AAC) approve the recommendations outlined in Report AAC18-026 dated June 6, 2018, of the Accessibility and Communication Specialist as follows:

- a) That a presentation by the Facility Manager, PMC on a proposed installation of hand railings at the PMC be received for information; and
- b) That the AAC Access Fund Request 001-18 submitted by the Facility Manager, PMC for the installation of hand railings be approved.

Budget and Financial Implications

The amount of Access Fund Request 001-18 is \$23,986.51. The current balance of the Access Fund is \$88,925.88.

Background

Access Fund Request 001-18 (Appendix A) is a request for funds to install hand railings throughout the PMC Bowl. There are currently no hand railings and it is a common concern for the tenants and ticket holders of the PMC. Adding the proposed style of hand rail would allow for easier access up and down the stair case, while maintaining the require stair width.
