**Subject:** Report CLSCLK18-015  
Citizen Appointments – Extension of Term

---

## **Purpose**

A report to recommend that Citizen Committee and Board Appointments be extended to March 1, 2019.

## **Recommendation**

That Council approve the recommendation outlined in Report CLSCLK18-015, dated August 20, 2018, of the Commissioner of Corporate and Legislative Services, as follows:

That the term of citizen appointments made by Council to various Boards and Committees due to expire on November 30, 2018, be extended to March 1, 2019.

## **Budget and Financial Implications**

There are no budget or financial implications as a result of the recommendation.

## Background

Many of the citizen appointments Council has made to various Boards and Committees end November 30, 2018.

As this is an election year, the process of advertising for committee and Board members, interviewing candidates and making appointments will be delayed until the new Council is in place and the Citizen Appointment Selection Committee is established and has made recommendations for the new Council to consider.

In order to allow the various Boards and Committees to continue their work, it is recommended that the citizen appointments that expire either at the end of November or December, 2018 be extended until March 1, 2019.

Council-appointed citizens to the Peterborough Police Services Board are excluded from this report because Section (27)(10) of the **Police Services Act** permits a member of the board who was appointed by Council to continue to sit after the expiry of his or her term of office until the appointment of his or her successor. Similarly, Section 10(3) of the **Public Libraries Act** permits members to continue until the appointment of their successors.
