Background

The Housing Services Act, 2011, requires the City of Peterborough, in its role as Service Manager, to have a 10-year Housing and Homelessness Plan, and to report annually on the progress made towards targets included in the plan. The City of Peterborough's 10 year Housing and Homelessness Plan (Plan) was launched in 2014.

Appendix A, the Peterborough 10 year Housing and Homelessness Plan Progress Report 2015 (Progress Report), highlights key accomplishments under nine of the 20 commitments set out in the Plan, ranging from engaging people who use housing and homelessness support services to helping developers plan and complete new affordable rental housing developments.

A number of stakeholders were involved in the production of the Progress Report, including staff from City, County and Townships, Social Services and Housing Divisions, as well as committees of stakeholders. The Homelessness Support Services Coordinating Committee, the Housing and Homelessness Plan Project Team, and the

Affordable Housing Action Committee (AHAC) guided the production of the Progress Report.
