

City of
Peterborough

To: Members of the Accessibility Advisory Committee

From: Trish Reed, Accessibility and Communication Specialist

Meeting Date: November 2, 2016

Subject: Report AAC16-054
Access Fund Request 004-16

Purpose

A report to seek approval for Access Fund Request 004-16 submitted by the Supervisor of the Peterborough Day Care Centre and Municipal School Age Programs, relating to the installation of power door operators at the Peterborough Daycare main entrance.

Recommendations

That the Accessibility Advisory Committee (AAC) approve the recommendations outlined in Report AAC16-054 dated November 2, 2016, of the Accessibility and Communication Specialist as follows:

- a) That Report AAC16-054 of the Accessibility and Communication Specialist be received for information;
- b) That the AAC approve Access Fund Request 004-16 submitted by the Supervisor of the Peterborough Day Care Centre and Municipal School Age Programs, relating to the installation of power door operators at the Peterborough Daycare main entrance.

Budget and Financial Implications

The amount of the request is \$7,160.00 and the quote is from SRP Electric Ltd. The current balance of the Access Fund is \$123,132.68.

Background

Access Fund Request 004-16 (Appendix A) is a request for funds to install automatic door openers at the main entrance of the Peterborough Daycare. The Peterborough Daycare currently provides service to 44 families and is also the enrollment office for the three off site before and after school programs operated by the City.

One of the recommendations made to the Peterborough Day Care after the accessibility audit (completed on July 4, 2016 by the Accessibility Office) was to add automatic door openers. The Accessibility Office agrees that this would be a great enhancement to this facility. Both the exterior door and the interior vestibule door will be equipped with an automatic door opener.
